

**REQUEST FOR QUALIFICATION PACKAGES
ON-CALL PROFESSIONAL ENVIRONMENTAL ENGINEERING SERVICES
MANCHESTER-BOSTON REGIONAL AIRPORT
MANCHESTER, NH**

The City of Manchester, Department of Aviation, Manchester, New Hampshire, (hereafter “Manchester-Boston Regional Airport” or “the Airport”) hereby requests interested firms to complete and submit qualification packages for On-Call Professional Environmental Engineering Services. Contracts will be for a 3-year period with an option to extend up to three additional years based upon mutual agreement.

Responding firms should understand that the Airport does not anticipate a significant number of new projects in the near term, but desires to have a qualified team of professionals under contract and ready to provide services as needs arise. The Airport does not guarantee that assignments will be made during the life of the contract.

Requests for qualifications packages are available from Kathy Tarbox, Manchester-Boston Regional Airport by calling (603) 624-6539, or by email at ktarbox@flymanchester.com, or directly on the Airport’s website, www.flymanchester.com.

Qualification packages are due at the Manchester-Boston Regional Airport Administration Office, One Airport Road, Suite 300, Manchester, NH 03103 no later than 2:00PM, Friday, May 25, 2018. The Airport may choose to select a firm based on qualifications, but may also utilize interviews if it is deemed in the best interest of the Airport.

Thomas J. Malafrente, AAE
Acting Airport Director
