SECTION IV – GENERAL CONDITIONS ....................................................................................................................... 18
SECTION I – DESCRIPTION OF WORK

1.1 General Description of Responsibilities
The AIRPORT is seeking STATEMENTS from qualified Air Service Development Consultants ("RESPONDENTS") to provide Air Service Development Consulting Services to the AIRPORT. The AIRPORT intends to select two (2) RESPONDENTS that will enter into a Professional Services Agreement ("AGREEMENT") with the AIRPORT. The AIRPORT will select one RESPONDENT for air service development as it relates to low-cost and ultra-low cost carriers ("LCC/ULCC CONSULTANT") and a second RESPONDENT for air service development as it relates to legacy network carriers ("LNC CONSULTANT").

Services provided under the AGREEMENT will be performed on a Task Order basis approved by the AIRPORT. RESPONDENTS to this RFQ should demonstrate excellence in market definition and analysis, demographic data gathering and presentation, route analysis, messaging, airline relationship development, and an understanding of current and innovative means and methods of marketing air service to catchment areas. The successful RESPONDENTS will, with input and direction from AIRPORT staff, develop and implement a comprehensive air service development strategy to a) attract new entrant air carriers to the AIRPORT, b) maintain and increase air service offered by existing carriers, and c) expand new entrant service.

1.2 Airport Background
The AIRPORT is located in southern New Hampshire about 50-air miles northwest of downtown Boston and is classified in the National Plan of Integrated Airport Systems ("NPIAS") as a small-
hub airport. Currently the AIRPORT is served by all four major carriers – Southwest Airlines, American Airlines, Delta Air Lines, and United Airlines. The four major carriers offer 34 daily flights to 12 hub airports (see Figure 1).

The airport catchment area has experienced positive growth rates in population, per capita income, per capita disposable income, and gross regional product since 2010. In fact, the State of New Hampshire has the second highest population growth rate (+3%) of any state in New England since the 2010 census. Further, the state has the 6th highest per capita disposable income of any state in the union and was recently ranked as:

- A Top 10 state in net-millennial migration – the only state north of North Carolina and east of Missouri to earn that distinction;
- A two-time winner of the prestigious Innovation Champion distinction from the Consumer Technology Association; and,
- Ranked as the 4th Most Innovative State by the Consumer Technology Association.

More specifically, within 25-air miles of the AIRPORT lies a population of 1.23 million persons with an average household income near $80,000 and a total purchasing power over $37.3 billion. Despite these overwhelmingly positive socio-economic trends, the AIRPORT has experienced a decline in passenger enplanements over the past 15-years due to macro-level issues in the industry namely a) the consolidation in airline competition, b) the resulting significant changes in airline business models, and c) increasing LCC activity at Boston-Logan. This has led to a corresponding increase in airline cost per enplanement (“CPE”) at the AIRPORT and a FY20 CPE budgeted at $14.38.

The AIRPORT is the only major commercial service airport in New England that does not have a LCC/ULCC on the airfield. Recognizing that the CPE is not at a level that is conducive for LCC/ULCC operations, the AIRPORT has focused on lowering the CPE by restructuring our long-term debt profile. The AIRPORT recently closed on an advanced refunding on a portion of the Series 2012A bonds that will result in landing fees being reduced to $5.22 and overall airport CPE to $10.23 by FY24.1 The AIRPORT also published an Air Service Incentive Plan (“ASIP”) that provides waivers for terminal rents, landing fees, and apron rents.

1.3 Responsibilities of Consultant – Market Definition and Analysis
Tasks will define and analyze the Southern New Hampshire market in multiple ways including, but not limited to, the following:

a) Providing a thorough demographic review of the area, including historical benchmarking to demonstrate demographic trends;
b) Analyzing the competitive position in relation to Boston-Logan and how socio-economic trends in Southern New Hampshire relate to other airports in similar competitive environments;
c) Estimating the monthly, quarterly, and annual leakage to Boston-Logan by zip code within New Hampshire and Northern Massachusetts with the ability to produce historical and current map(s);
d) Quantifying the lost federal and PFC dollars from leaking demand to another state;
e) Gathering, analyzing, and presenting travel information from the local business community;
f) Identifying target customers in the region; and,

---

1 Based on the airport attaining pre-CoVID-19 traffic levels and successfully completing Phase II of the 2012A refunding.
g) Quantifying the impact of ongoing gentrification in Boston and what impact that will have on air service development strategy.

1.4 Responsibilities of Consultant – Route Analysis and Identification of Opportunities
Tasks will research and identify credible route opportunities and the associated airline(s) that could serve the city pairs. Tasks may include, but not be limited to, the following:

a) Analyzing the historic and forecasted traffic volumes, service patterns, and seasonality for domestic routes;

b) Describing the economic profile of historic and/or current commercial aviation services;

c) Providing traffic and revenue forecasts for new operations including total passengers, service pattern, projected load factors, yield analysis, passenger revenue potential, total passenger revenue potential, estimated operating costs, and potential route profitability; and,

d) Providing historic and forecast comparative data and analysis showing why the AIRPORT represents a strong opportunity for a targeted carrier to provide service on a specific route.

1.5 Responsibilities of Consultant – Messaging and Presentation
Tasks will include those that summarize and present data associated with market definition and route analysis in a clear and compelling way to airline decision makers, community groups, and airport governance. Tasks may include, but are not limited to, the following:

e) Developing a response, in consultation with the AIRPORT, to RFP/RFQs from potential new entrants.

1.6 Responsibilities of Consultant – Incentive Program Development and Management
Tasks will include those associated with the development and management of the Air Service Incentive Plan (“ASIP”). Tasks may include, but are not limited to, the following:

a) Administering the existing Air Service Incentive Plan (“ASIP”) including intake, review, and recommendation of award for eligible airlines and routes;

b) Integrating with Marketing and Finance departments to monitor effectiveness of the ASIP and ensure airport incentives stay within established budgets;

c) Assisting the airport to ensure the ASIP is appropriately constructed and conforms with currently established and any future FAA guidance;

b) Providing monthly commercial airline service flight schedules for a rolling 3-month, 6-month and 12-month look-ahead on scheduled seats, departures, aircraft type, and highlighting any significant service changes;
c) Benchmarking the above data against similarly sized airports both within, and outside of, the New England region; and,
d) Creating, maintaining, and publishing a comprehensive dashboard depicting key performance indicators for air service at the AIRPORT and benchmark airports. This dashboard should utilize commercial-of-the-shelf technology and be developed in such a manner that the AIRPORT can sustainably utilize the dashboard after the completion of contract TERM with no additional operating costs or specialized training.

1.9 Responsibilities of Consultant – On-Call Research
Occasionally, the AIRPORT will have questions, inquiries, or issues that will arise regarding a start-up airline, new entrant airline, incumbent airline, air service marketing opportunities, changing airline strategies, etc. The RESPONDENT shall be able to prepare an appropriate and timely response to the inquiry and provide any other assistance as may be requested by the AIRPORT.

RESPONDENTS are cautioned to include only those individuals that would make a significant contribution to the project if the RESPONDENT is selected.

RESPONDENTS are further cautioned that the AIRPORT expects that the individuals included in the STATEMENT will be those individuals assigned to Task Orders generated during the term of the AGREEMENT. Failure of the CONSULTANT to provide the proposed individuals will be considered default under the AGREEMENT unless the failure to provide the proposed individuals is due to circumstances outside the control of the RESPONDENT.

Examples used by the RESPONDENT should be within the past five full calendar years based on date of service initiation (e.g. if efforts in 2013-2014 led to a new service starting in 2015, then this would count as an appropriate example). Information presented shall, at a minimum, include the following information:

a) The airport at which air service development consulting services were/are provided;
b) Date that the RESPONDENT acted as air service consultant for the airport;

The AIRPORT is also fully committed to the implementation of these rules and regulations through its approved DBE program. The minimum DBE participation goal established for this contract is 3.7%, however, RESPONDENTS are encouraged to exceed this goal. While this RFQ does not consider price as an evaluation factor, and recognizing that the total value of potential task orders issued as part of the AGREEMENT is not known at the time of STATEMENT submission; RESPONDENTS are encouraged to estimate the portion of work that each DBE will be assigned and to estimate the total value of DBE participation in their STATEMENT. The method used by the RESPONDENT to determine this value shall be explained in this section of the STATEMENT.

Firms desiring to participate as a Disadvantaged Business Enterprise (DBE) on AIRPORT projects or contracts must be duly certified as a DBE by the New Hampshire Department of Transportation Office of Federal Compliance ("NHDOT-OFC") at:

https://www.nh.gov/dot/org/administration/ofc/dbe.htm

As part of their STATEMENT, RESPONDENTS shall include documentary evidence that proposed DBE firms contained in the STATEMENT are duly certified by the NHDOT-OFC. Any proposed firm that has not received such certification from NHDOT-OFC at time of STATEMENT submission must receive certification prior to the execution of the AGREEMENT by the RESPONDENT. Any firm(s) not receiving their certification prior to execution of the AGREEMENT by the RESPONDENT shall be replaced by the RESPONDENT with a certified DBE of similar capabilities subject to the approval by the AIRPORT.

RESPONDENTS ARE HEREBY NOTIFIED THAT A FAILURE TO MEET THE AIRPORT’S ESTABLISHED DBE PARTICIPATION RATE FOR FEDERALLY FUNDED PROJECTS, OR FAIL TO PROVIDE SUFFICIENT DOCUMENTARY EVIDENCE OF GOOD FAITH EFFORTS TO MEET THE DBE GOAL, WILL CONSTITUTE A DEFAULT OF THE AGREEMENT AND MAY RESULT IN THE TERMINATION OF THE AGREEMENT OR OTHER SUCH REMEDY AS DEEMED APPROPRIATE BY THE AIRPORT.

2.1.8 Section 7: Marketing and Messaging Plan
The RESPONDENT shall include a full copy of recent marketing material that they prepared for a current CLIENT. The material should be related to an airline meeting at either the airline headquarters or at an air service development conference.

2.1.9 Section 8: Certifications
This section requires the RESPONDENT to incorporate signed and duly notarized copies of the federal certifications found in Appendix C.

STATEMENTS THAT DO NOT CONTAIN SIGNED AND NOTARIZED CERTIFICATIONS WILL BE CONSIDERED NON-RESPONSIVE BY THE AIRPORT AND NO FURTHER CONSIDERATION WILL BE GIVEN.
2.2 Statement Organization
The STATEMENT shall be organized in sections consistent with Section 2.1.1 through 2.1.8 above. STATEMENTS are limited to 50-single sided pages (NOTE: letter of interest, required DBE forms, audited financial statements, certifications, and examples of previous work submitted will not be counted toward the 50-page limit). The RESPONDENT is free to use either 8.5"x11" or 11"x17" paper for their submission understanding that the entire proposal shall use the same size paper (e.g. no z-folds or mixing of page sizes). Under no circumstances shall the paper size exceed 11"x17".

Any pages beyond the 50-page limit or any information submitted on paper size in excess of 11"x17" will not be considered by the AIRPORT.

2.3 Submission Date and Procedures
RESPONDENTS shall indicate if their STATEMENT is for LCC/ULCC air service development efforts (“LCC/ULCC STATEMENT”) or for LNC air service development efforts (“LNC STATEMENT”). Should RESPONDENTS desire to submit STATEMENTS for both air service efforts, then two separate STATEMENTS shall be submitted in two separate envelopes/boxes. Each RESPONDENT must submit five (5) hard copies of their STATEMENT(S). The envelope/package containing the STATEMENTS shall be marked:

“AIR SERVICE DEVELOPMENT CONSULTING SERVICES 
[ENTER EITHER LCC/ULCC STATEMENT OR LNC STATEMENT]”
RFQ FY20-805-65”

The RESPONDENT’S name shall be clearly stated at the bottom left of the envelope/package in which the Statement is contained.

STATEMENTS shall be delivered by 5:00 pm on June 15, 2020 to the offices of the Manchester-Boston Regional Airport and addressed to:

Mrs. Cheryl Keefe
Properties and Contract Specialist
Manchester-Boston Regional Airport
1 Airport Road Suite 300
Manchester, NH 03103
Telephone: (603) 624-6539
Email: ckeefe@flymanchester.com

STATEMENTS RECEIVED AFTER 5:00 P.M. ON THE SUBMISSION DATE LISTED ABOVE WILL BE CONSIDERED NON-RESPONSIVE BY THE AIRPORT AND NO FURTHER CONSIDERATION WILL BE GIVEN.
SECTION III – SELECTION PROCESS

3.1 Selection Process
The AIRPORT intends to use a two-phase selection process. The first phase is the written STATEMENT and the second phase will be oral interviews (“INTERVIEWS”) of short-listed RESPONDENTS. Should an insufficient number of STATEMENTS be received by the AIRPORT to develop a competitive shortlist of RESPONDENTS, then the AIRPORT reserves the right to reject all STATEMENTS received and reissue the RFQ or select directly from the responses received.

3.2 Selection Schedule
The AIRPORT intends to adhere to the following schedule:

3.3 Preliminary Review
Upon receipt of submittals, the AIRPORT will conduct a preliminary review to assure that each submittal is generally responsive to the published criteria. STATEMENTS deemed non-responsive will be returned to the RESPONDENT with a brief explanation of the reason for the rejection.
3.4 **Phase I: Formal Evaluation and Scoring**

Following preliminary review, an Evaluation Committee will convene to independently review and score each STATEMENT based on the information requested in Sections 2.1.1 through 2.1.8. A detailed and objective evaluation will be conducted, the sole intent of which will be to identify the most responsive and responsible RESPONDENT to perform the work contemplated under this procurement action.

3.6 **Phase I: Shortlist Development**

Notwithstanding the provisions of Section 3.1 above, the AIRPORT may shortlist up to six (6) RESPONDENTS for Phase II of the selection process. Up to three of these RESPONDENTS will be LCC/ULCC STATEMENTS and up to three will be LNC STATEMENTS. Short-listed RESPONDENTS will be provided a minimum of two-weeks to prepare.

3.7 **Phase II: Interviews**

Shortlisted RESPONDENTS shall have the opportunity to present their qualifications to the Evaluation Committee. This is an opportunity for shortlisted RESPONDENTS to clarify their STATEMENTS and present any additional information that the shortlisted RESPONDENTS wish the Evaluation Committee to consider. No more than five (5) personnel from each shortlisted RESPONDENT shall be at the interview but two (2) members shall be the Principal-in-charge and the proposed Project Manager for the Prime Consultant.
3.8 Final Selection

Upon completion of the Phase II Interviews, the Evaluation Committee shall independently score each shortlisted RESPONDENT. The criteria used to score the presentations shall be included in the notification of shortlist issued to shortlisted RESPONDENTS.

After each committee member independently scores each shortlisted RESPONDENT, the Evaluation Committee shall convene and select the highest scored RESPONDENTS for the LCC/ULCC STATEMENTS and for the LNC STATEMENTS by summing their respective Phase I and Phase II scores.

Should a RESPONDENT submit for both air service development efforts and be ranked the highest ranked RESPONDENT for both, then the RESPONDENT will be offered the opportunity to choose which air service development effort they prefer. After selection by the RESPONDENT, the second highest RESPONDENT for the air service development efforts not chosen by the highest ranked RESPONDENT will be selected.
SECTION IV – GENERAL CONDITIONS

4.1 Airport Right to Reject and Waive Minor Irregularities
The AIRPORT reserves the right to reject any and all STATEMENTS or to re-advertise for additional STATEMENTS. The AIRPORT reserves the right to waive minor irregularities.

3.10 Release
EXCEPT FOR THE CITY'S WILFUL MISCONDUCT, CONSULTANT AGREES TO AND SHALL RELEASE THE CITY, ITS AGENTS, EMPLOYEES, OFFICERS, AND LEGAL REPRESENTATIVES (COLLECTIVELY THE "CITY") FROM ALL LIABILITY FOR INJURY, DEATH, DAMAGE, OR LOSS TO PERSONS OR PROPERTY SUSTAINED IN CONNECTION WITH OR INCIDENTAL TO PERFORMANCE UNDER THIS AGREEMENT, EVEN IF THE INJURY, DEATH, DAMAGE, OR LOSS IS CAUSED BY THE CITY'S SOLE OR CONCURRENT NEGLIGENCE AND/OR THE CITY'S STRICT PRODUCTS LIABILITY OR STRICT STATUTORY LIABILITY.

3.11 Waiver of Damages
Notwithstanding any other provision of this AGREEMENT, to the fullest extent permitted by law, the CITY and the AIRPORT, and collectively theirs respective agents, affiliates, directors, officers, employees, representatives, attorneys or agents shall not be liable, whether in contract-tort, negligence, strict liability or otherwise, for any lost or prospective profits or any other special, punitive, exemplary, indirect, incidental or consequential losses or damages arising out of or in connection with this AGREEMENT.

3.12 Indemnification
CONSULTANT AGREES TO AND SHALL DEFEND, INDEMNIFY, AND HOLD THE CITY AND THE AIRPORT AGENTS, EMPLOYEES, OFFICERS, AND LEGAL REPRESENTATIVES (COLLECTIVELY THE "CITY") HARMLESS FOR ALL CLAIMS, CAUSES OF ACTION, LIABILITIES, FINES, AND EXPENSES (INCLUDING, WITHOUT LIMITATION, ATTORNEYS FEES, COURT COSTS, AND ALL OTHER DEFENSE COSTS AND INTEREST) FOR INJURY, DEATH, DAMAGE, OR LOSS TO PERSONS OR PROPERTY SUSTAINED IN CONNECTION WITH OR INCIDENTAL TO PERFORMANCE UNDER THIS AGREEMENT INCLUDING, WITHOUT LIMITATION, THOSE CAUSED BY:

a) CONSULTANT'S AND/OR ITS AGENTS, EMPLOYEES, OFFICERS, DIRECTORS, OR SUB CONSULTANT'S ACTUAL OR ALLEGED NEGLIGENCE OR INTENTIONAL ACTS OR OMISSIONS;

b) THE CITY'S AND CONSULTANT'S ACTUAL OR ALLEGED CONCURRENT NEGLIGENCE, WHETHER CONSULTANT IS IMMUNE FROM LIABILITY OR NOT; AND THE CITY'S AND CONSULTANT'S ACTUAL OR ALLEGED STRICT PRODUCTS
LIABILITY OR STRICT STATUTORY LIABILITY, WHETHER CONSULTANT IS IMMUNE FROM LIABILITY OR NOT.

c) CONSULTANT SHALL DEFEND, INDEMNIFY, AND HOLD THE CITY HARMLESS DURING THE TERM OF THIS AGREEMENT AND FOR FOUR YEARS AFTER THE AGREEMENT TERMINATES. CONSULTANT'S INDEMNIFICATION IS LIMITED TO $1,000,000 PER OCCURRENCE. CONSULTANT SHALL NOT INDEMNIFY THE CITY FOR THE CITY'S SOLE NEGLIGENCE.

d) CONSULTANT SHALL REQUIRE ALL OF ITS SUB CONSULTANTS AND THIRD-TIER SUB CONSULTANTS TO RELEASE AND INDEMNIFY THE CITY TO THE SAME EXTENT AND IN SUBSTANTIALLY THE SAME FORM AS ITS RELEASE AND INDEMNITY TO THE CITY.

e) CONSULTANT (AND ALL OF ITS SUBCONSULTANTS AND THIRD-TIER SUBCONSULTANTS) TO CARRY INSURANCE WHICH EXPRESSLY COVERS THEIR INDEMNIFICATION OBLIGATIONS UNDER THE AGREEMENT, AND TO PROVIDE THE AIRPORT WITH PROOF OF THE SAME.

3.13 Indemnification Procedures
If the CITY or CONSULTANT receives notice of any claim or circumstances which could give rise to an indemnified loss, the receiving party shall give written notice to the other party within ten (10) days. The notice must include the following:

a) A description of the indemnification event in reasonable detail;

b) The basis on which indemnification may be due; and,

c) The anticipated amount of the indemnified loss.

This notice does not bar or estop the CITY from later asserting a different basis for indemnification or a different amount of indemnified loss than that indicated in the initial notice. If the CITY does not provide this notice within the ten (10) day period, it does not waive any right to indemnification except to the extent that CONSULTANT is prejudiced, suffers loss, or incurs expense because of the delay.

3.14 Defense of Claims
CONSULTANT may assume the defense of the claim at its own expense with counsel chosen by it that is reasonably satisfactory to the CITY. CONSULTANT shall then control the defense and any negotiations to settle the claim. Within ten (10) days after receiving written notice of the indemnification request, CONSULTANT must advise the CITY as to whether it will defend the claim. If CONSULTANT does not assume the defense, then the CITY shall assume and control the defense, and all defense expenses constitute an indemnified loss.

If CONSULTANT elects to defend the claim, then the CITY may retain separate counsel to participate in (but not control) the defense and to participate in (but not control) any settlement negotiations. CONSULTANT may settle the claim without the consent or agreement of the CITY, unless it:

a) would result in injunctive relief or other equitable remedies or otherwise require the CITY to comply with restrictions or limitations that adversely affect the CITY; or,
b) would require the CITY to pay amounts that CONSULTANT does not fund in full; or,
c) would not result in the CITY'S full and complete release from all liability to the plaintiffs or claimants who are parties to or otherwise bound by the settlement.
3.15 Patent, Copyright, Trademark, and Trade Secret Infringement
CONSULTANT AGREES TO AND SHALL RELEASE AND DEFEND, INDEMNIFY, AND HOLD HARMLESS THE CITY, ITS AGENTS, EMPLOYEES, OFFICERS, AND LEGAL REPRESENTATIVES (COLLECTIVELY THE "CITY") FROM ALL CLAIMS OR CAUSES OF ACTION BROUGHT AGAINST THE CITY BY ANY PARTY, INCLUDING CONSULTANT, ALLEGING THAT THE CITY'S USE OF ANY EQUIPMENT, SOFTWARE, PROCESS, OR DOCUMENTS CONSULTANT FURNISHES DURING THE TERM OF THIS AGREEMENT INFRINGES ON A PATENT, COPYRIGHT, OR TRADEMARK, OR MISAPPROPRIATES A TRADE SECRET. CONSULTANT SHALL PAY ALL COSTS (INCLUDING, WITHOUT LIMITATION, ATTORNEYS FEES, COURT COSTS, AND ALL OTHER DEFENSE COSTS, AND INTEREST) AND DAMAGES AWARDED.

a) CONSULTANT SHALL NOT SETTLE ANY CLAIM ON TERMS WHICH PREVENT THE CITY FROM USING THE WORK PRODUCT, SOFTWARE, PROCESS, AND DOCUMENTS WITHOUT THE CITY'S PRIOR WRITTEN CONSENT.

b) WITHIN 60 DAYS AFTER BEING NOTIFIED OF THE CLAIM, THE CONSULTANT SHALL, AT ITS OWN EXPENSE, OBTAIN FOR THE CITY THE RIGHT TO CONTINUE USING THE WORK PRODUCT, SOFTWARE, PROCESS, AND DOCUMENTS.

The CONSULTANT agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The CONSULTANT will, in all solicitations or advertisements for employees placed by or on behalf of the CONSULTANT, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

(3) The CONSULTANT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers’ representatives of the CONSULTANT’s commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The CONSULTANT will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The CONSULTANT will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the CONSULTANT’s noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the CONSULTANT may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The CONSULTANT will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each SUBCONSULTANT or vendor. The CONSULTANT will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a CONSULTANT becomes involved in, or is threatened with, litigation with a SUBCONSULTANT or vendor as a result of such direction by the administering agency the CONSULTANT may request the United States to enter into such litigation to protect the interests of the United States.

6.12 Certification of Consultant Regarding Tax Delinquency and Felony Convictions
The applicant must complete the following two certification statements. The applicant must indicate its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (✓) in the space following the applicable response. The applicant agrees that, if
awarded a contract resulting from this solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

CERTIFICATIONS

1. The applicant represents that it is ( ) is not ( ) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

2. The applicant represents that it is ( ) is not ( ) is not a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

Term Definitions
Felony conviction: Felony conviction means a conviction within the preceding twenty four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 U.S.C. § 3559.

Tax Delinquency: A tax delinquency is any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

Note:
If an applicant responds in the affirmative to either of the above representations, the applicant is ineligible to receive an award unless the sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government’s interests. The applicant therefore must provide information to the owner about its tax liability or conviction to the Owner, who will then notify the FAA Airports District Office, which will then notify the agency’s SDO to facilitate completion of the required considerations before award decisions are made.

6.13 Trade Restriction Certification
By submission of award, the CONSULTANT certifies that with respect to this solicitation and any resultant AGREEMENT, the CONSULTANT –

1. is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR);
2. has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and
3. has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC Section 1001.

The CONSULTANT must provide immediate written notice to the AIRPORT if the CONSULTANT learns that its certification or that of a SUBCONSULTANT was erroneous when
submitted or has become erroneous by reason of changed circumstances. The CONSULTANT must require SUBCONSULTANTS provide immediate written notice to the CONSULTANT if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no AGREEMENT shall be awarded to a CONSULTANT or SUBCONSULTANT:

1. who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR or
2. whose SUBCONSULTANTS are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list or
3. who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a CONSULTANT is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The CONSULTANT agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The CONSULTANT may rely on the certification of a prospective SUBCONSULTANT that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the CONSULTANT has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the CONSULTANT or SUBCONSULTANT knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the AIRPORT cancellation of the AGREEMENT for default at no cost to the AIRPORT or the FAA.

6.14 Right to Inventions
Contracts or agreements that include the performance of experimental, developmental, or research work must provide for the rights of the Federal Government and the AIRPORT in any resulting invention as established by 37 CFR 401, Rights to Inventions Made by Non-profit Organizations and Small Business Firms under Government Grants, Contracts, and Cooperative Agreements. This AGREEMENT incorporates by reference the patent and inventions rights as specified within 37 CFR §401.14. CONSULTANT must include this requirement in all sub-tier contracts involving experimental, developmental, or research work.

6.15 Veteran’s Preference
In the employment of labor (excluding executive, administrative, and supervisory positions), the CONSULTANT and all sub-tier CONSULTANTs must give preference to covered veterans as defined within Title 49 United States Code Section 4712. Covered veterans include Vietnam-era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns (as defined by 15 USC 632) owned and controlled by disabled veterans. This preference only applies when there are covered veterans readily available and qualified to perform the work to which the employment relates.
ARTICLE VII – MISCELLANEOUS

7.1 Independent Consultant
CONSULTANT is an independent CONSULTANT and shall perform the services provided for in this AGREEMENT in that capacity. The AIRPORT has no control or supervisory powers over the manner or method of CONSULTANT'S performance under this AGREEMENT. All personnel CONSULTANT uses or provides are its employees or SUBCONSULTANTS and not the AIRPORT's employees, agents, or SUBCONSULTANTS for any purpose whatsoever. CONSULTANT is solely responsible for the compensation of its personnel, including but not limited to: the withholding of income, social security, and other payroll taxes and all worker's compensation benefits coverage.

7.2 No Joint Venture
Nothing herein shall be construed to imply a joint venture or principal and agent relationship between the AIRPORT and CONSULTANT, and neither party shall have any right, power, or authority to create any obligation, express or implied, on behalf of the other.

7.3 Force Majeure
Timely performance by both parties is essential to this AGREEMENT. However, neither party is liable for reasonable delays in performing its obligations under this AGREEMENT to the extent the delay is caused by Force Majeure that directly impacts the AIRPORT or CONSULTANT. The event of Force Majeure may permit a reasonable delay in performance but does not excuse a party's obligations to complete performance under this AGREEMENT. Force Majeure means: fires, drought, interruption of utility services, epidemics in the City, floods, hurricanes, tornadoes, ice storms and other natural disasters, explosions, war, terrorist acts against the City or CONSULTANT, riots, strikes, court orders, and the acts of superior governmental or military authority, and which the affected party is unable to prevent by the exercise of reasonable diligence. The term does not include any changes in general economic conditions such as inflation, interest rates, economic downturn or other factors of general application; or an event that merely makes performance more difficult, expensive or impractical. Force Majeure does not entitle CONSULTANT to extra Reimbursable Expenses or payment.

This relief is not applicable unless the affected party does the following:

a) Uses due diligence to remove the effects of the Force Majeure as quickly as possible and to continue performance notwithstanding the Force Majeure; and

b) Provides the other party with prompt written notice of the cause and its anticipated effect.

The DIRECTOR will review claims that a Force Majeure that directly impacts the CITY or CONSULTANT has occurred and render a written decision within 14 days. The decision of the DIRECTOR is final. The CITY may perform contract functions itself or contract them out during periods of Force Majeure. Such performance is not a default or breach of this AGREEMENT by the CITY or AIRPORT.

If the Force Majeure continues for more than 14 days from the date performance is affected, the DIRECTOR may terminate this AGREEMENT by giving 7 days' written notice to CONSULTANT. This termination is not a default or breach of this AGREEMENT by the CONSULTANT.
CONSULTANT WAIVES ANY CLAIM IT MAY HAVE FOR FINANCIAL LOSSES OR OTHER DAMAGES RESULTING FROM THE TERMINATION EXCEPT FOR AMOUNTS DUE UNDER THE AGREEMENT UP TO THE TIME THE WORK IS HALTED DUE TO FORCE MAJEURE.

7.4 Severability
If any part of this AGREEMENT is for any reason found to be unenforceable, all other parts remain enforceable unless the result materially prejudices either party.

7.5 Entire Agreement
This AGREEMENT merges the prior negotiations and understandings of the Parties and embodies the entire agreement of the Parties. No other agreements, assurances, conditions, covenants (express or implied), or other terms of any kind, exist between the Parties regarding this AGREEMENT.

7.6 Written Amendment
Unless otherwise specified elsewhere in this AGREEMENT, this AGREEMENT may be amended only by written instrument executed on behalf of the AIRPORT and CONSULTANT. The DIRECTOR is only authorized to perform the functions specifically delegated to him or her in this AGREEMENT.

7.7 Applicable Laws
This AGREEMENT is subject to the laws of the State of New Hampshire, the City of Manchester Charter and Charter Ordinances, the laws of the federal government of the United States, and all rules and regulations of any regulatory body or officer having jurisdiction.

Venue for any litigation relating to this AGREEMENT is Hillsborough County, New Hampshire.

7.8 Notices
All notices to either party to the AGREEMENT must be in writing and must be delivered by hand, facsimile, United States registered or certified mail, return receipt requested, United States Express Mail, Federal Express, UPS or any other national overnight express delivery service. The notice must be addressed to the party identified in Article I of this AGREEMENT or other address the receiving party has designated previously by proper notice to the sending party. Postage or delivery charges must be paid by the PARTY giving the notice.

7.9 Captions
Captions contained in this AGREEMENT are for reference only, and, therefore, have no effect in construing this AGREEMENT. The captions are not restrictive of the subject matter of any section in this AGREEMENT.

7.10 Non-Waiver
If either party fails to require the other to perform a term of this AGREEMENT, that failure does not prevent the party from later enforcing that term and all other terms. If either party waives the other’s breach of a term, that waiver does not waive a later breach of this AGREEMENT.

An approval by the DIRECTOR, or by any other employee or agent of the CITY, of any part of CONSULTANT’S performance does not waive compliance with this AGREEMENT or establish
a standard of performance other than that required by this AGREEMENT and by law. The DIRECTOR is not authorized to vary the terms of this AGREEMENT.

7.11 Inspections and Audits
AIRPORT representatives may perform, or have performed, (1) audits of CONSULTANT’S books and records, (2) inspections of all places where Work is undertaken in connection with this AGREEMENT, and (3) all costs and underlying expenses relating to CONSULTANT’S performance, including but not limited to, all fees paid to CONSULTANT. CONSULTANT shall keep its books and records available for this purpose for at least 6 years after this AGREEMENT terminates. This provision does not affect the applicable statute of limitations.

7.12 Enforcement
The City Solicitor may enforce all legal rights and obligations under this AGREEMENT without further authorization. CONSULTANT shall provide to the City Solicitor all documents and records that the City Solicitor requests to assist in determining CONSULTANT’S compliance with this AGREEMENT, with the exception of those documents made confidential by federal or State law or regulation.

7.13 Ambiguities
If any term of this AGREEMENT is ambiguous, it shall not be construed for or against any party on the basis that the party did or did not write it.

7.14 Survival
CONSULTANT shall remain obligated to the AIRPORT under all clauses of this AGREEMENT that expressly or by their nature extend beyond the expiration or termination of this AGREEMENT, including but not limited to, the indemnity provisions.

7.15 Publicity
CONSULTANT shall make no announcement or release of information concerning this AGREEMENT unless the release has been submitted to and approved, in writing, by the DIRECTOR.

7.16 Parties in Interest
This AGREEMENT does not bestow any rights upon any third party but binds and benefits the AIRPORT and CONSULTANT only.

7.17 Successors and Assigns
This AGREEMENT binds and benefits the PARTIES and their legal successors and permitted assigns; however, this provision does not alter the restrictions on assignment and disposal of assets set out in Section 7.18 below. This AGREEMENT does not create any personal liability on the part of any officer or agent of the AIRPORT or CITY.

7.18 Business Structure and Assignments
CONSULTANT shall not assign this AGREEMENT at law or otherwise or dispose of all or substantially all of its assets without the DIRECTOR’S prior written consent. Nothing in this clause, however, prevents the assignment of accounts receivable or the creation of a security interest. In the case of such an assignment, CONSULTANT shall immediately furnish the AIRPORT with proof of the assignment and the name, telephone number, and address of the Assignee and a clear identification of the fees to be paid to the Assignee.
CONSULTANT shall not delegate any portion of its performance under this AGREEMENT without the DIRECTOR'S written consent.

7.19 Dispute Resolution
Should any dispute arise under this AGREEMENT respecting the true value of any Work performed, of any Work omitted, of any extra Work which the CONSULTANT may be required to perform, time extensions, respecting the size of any payment to the CONSULTANT during the performance of the AGREEMENT, or of compliance with AGREEMENT provisions, said dispute shall be decided by the DIRECTOR whose decision shall be final and conclusive. If the CONSULTANT should disagree with the DIRECTOR'S decision, the CONSULTANT'S sole and exclusive remedy is to file a claim in accordance with this Section. The CONSULTANT shall diligently prosecute the disputed Work to final completion. The provisions of this paragraph survive termination or completion of this AGREEMENT. CONSULTANT shall bear all costs incurred in the preparation and submission of any disputes.

7.20 Alternative Dispute Resolution
In the event mediation is not successful, the PARTIES may, prior to any legal action, agree upon another method of Alternate Dispute Resolution.

During the course of such negotiations, mediation, or any other Alternate Dispute Resolution process that may be mutually agreed upon, the PARTIES agree that all Work hereunder shall be continued without interruption.

Unless otherwise specified elsewhere in this AGREEMENT, the rights and remedies contained in this AGREEMENT are not exclusive but are cumulative of all rights and remedies which exist now or in the future. Neither PARTY may terminate its duties under this AGREEMENT except in accordance with its provisions.

7.21 Consultant Indebtedness to City
IF CONSULTANT, AT ANY TIME DURING THE TERM OF THIS AGREEMENT, INCURS A DEBT OWNED TO THE CITY OF MANCHESTER OR STATE OF NEW HAMPSHIRE, IT SHALL IMMEDIATELY NOTIFY THE DIRECTOR IN WRITING. IF THE DIRECTOR BECOMES AWARE THAT CONSULTANT HAS INCURRED A DEBT, THE DIRECTOR SHALL IMMEDIATELY NOTIFY CONSULTANT IN WRITING. IF CONSULTANT DOES NOT PAY THE DEBT WITHIN 30 DAYS OF EITHER SUCH Notification, THE AIRPORT MAY DEDUCT FUNDS IN AN AMOUNT EQUAL TO THE DEBT FOR ANY PAYMENTS OWED TO CONSULTANT UNDER THIS AGREEMENT, AND CONSULTANT WAIVES ANY RECOURSE THEREFOR.
APPENDIX B: NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY

1. The Offeror's or Bidder's attention is called to the “Equal Opportunity Clause” and the “Standard Federal Equal Employment Opportunity Construction Contract Specifications” set forth herein.

2. The goals and timetables for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

**Timetables**

Goals for minority participation for each trade: 3.7%

Goals for female participation in each trade: 3.7%

These goals are applicable to all of the Contractor's construction work (whether or not it is Federal or federally assisted) performed in the covered area. If the Contractor performs construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the Contractor also is subject to the goals for both its federally involved and non-federally involved construction.

The Contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a) and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60. Compliance with the goals will be measured against the total work hours performed. The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs (OFCCP) within 10 working days of award of any construction subcontract in excess of $10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

As used in this notice and in the contract resulting from this solicitation, the "covered area" is City of Manchester, Hillsborough County New Hampshire.

TRADE RESTRICTION CERTIFICATION

By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror –

1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR);
2) has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and
3) has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC Section 1001.

The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to an Offeror or subcontractor:

1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR or
2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list or
3) who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous
certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.
